07-НСИСОСП-12.6

In compliance the Chapter Three of The Bulgarian *Regulation for the Essential Requirements to Constructions and Conformity Assessment of Construction Products (НСИСОСП)* it has been stated that the construction product

WELDED REINFORCING STEEL MESHES

made of steel Class B500 with diameter from 4 mm to 8 mm according to BDS 9252:2007

intended to be used for general (not pre-stressed) reinforced concrete structures and products,

placed on the market by

STOMANA INDUSTRY S.A.

1 Vladaysko vastanie str.
2300 Pernik, BULGARIA

and produced in the

DOJLAN STEEL Ltd.

s.Nikolic, Posta Nov Dojran, F.Y.R.Macedonia

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the approved body – **NISI Ltd** - has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control and an audit-testing of samples taken at the factory, on the market or at the construction site.

This certificate attests that all provisions concerning the attestation of conformity and the performances described in the standards

EN 10080:2005

were applied and that the product fulfils all the prescribed requirements.

This certificate was first issued on **05-09-2012** and remains valid as long as the conditions laid down in the technical specifications in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.

General Manager of NISI Ltd.

Assoc. Prof. Dr. Eng. Rumen Guglev
